

“ World Team exists to glorify God by working together to establish reproducing churches focusing on the unreached peoples of the World. ”

EXECUTIVE DIRECTOR

KEITH WIEDERWAX

First, thank you for reading about and praying for World Team Canada!

As the new Executive Director, I'm excited about where we are going, but getting there brings about challenges that definitely need

prayer. We are focused on building a strong team and working through a lot of transitions right now. Transitions including moving myself from Chicago to Canada, refreshing and improving our website, searching for a new office location, and looking for possible software solutions related to mobilization and accounting.

In the midst of so much CHANGE, it's easy for anxiety and doubt to creep in. Please be praying for our board, myself, and the staff that we all are unified and work together to make the right decisions and implement these changes well. We want to not just help the staff, but help to grow the overall ministry support and impact around the World! We long to see a steady stream of people and support filling field needs, raising up disciples and planting churches among the unreached. The only way that will happen is through His Spirit moving - let's pray to that end!

To God Be The Glory!!
